Indian Royal Basmati

About Indian Basmati

In India, Basmati rice is characterized by extra long, superfine slender grains having a length to breadth ratio > 4.3 , sweet taste, soft texture, delicate curvature and an extra elongation with least breadth-wise swelling on cooking. This highly aromatic rice is India's gift to the whole world. The very word 'Basmati' has originated from Vasumati which means earth recognized by its unique fragrance. The full exposition of the word is from Hindi. Bas originating from Prakrit Vas which has a Sanskrit root- Vasay connoting aroma; and Mati meaning ingrained from the origin. According to Ayurveda, Basmati, the king of all varieties of rice, is saatvic or pure, is nourishing for the body tissues and is easy to digest.

Indian Non - Basmati

Our Indian Non- Basmatu Rice

In the world it has been reported that there are 10000 varieties of rice, the maximum number being in India. In fact, basmati rice equals to only 1% production of the total rice grown in India. Non- basmati rice comes in all kinds of different shapes and sizes. Some are long and slender, some are short and thick, some are like beads, and some may be round. We are Exporter and Supplier of Non-Basmati Rice. We provide premium quality Non-Basmati Rice which is rich in nutrients and full of taste and is processed with utmost care and cleanliness using high-end technology. We refine each grain to an unsurpassed quality and perfectly packed to preserve the wholeness of nutrition and exquisiteness in taste. After you pick one from a rack simply go ahead and cook it into a delicious meal that your taste buds would relish. We get our Non-Basmati Rice from the productive lands of North and South India. We take special care in the packaging of the Non-Basmati Rice so that the quality is maintained in handling and delivery.
